

JULIEN BERMAN

Chevy Chase, MD | (240) 454-2273 | julien.d.berman@gmail.com

Education

HARVARD UNIVERSITY — Cambridge, MA

May 2026

B.A. in Economics. Magna Cum Laude, highest honors in field, Phi Beta Kappa. GPA: 3.93

GEORGETOWN DAY SCHOOL — Washington, D.C.

May 2022

Research

HARVARD ECONOMICS DEPARTMENT — Cambridge, MA

Senior Thesis, advised by Prof. Jesse Shapiro

Mar. 2025 – Mar. 2026

- Showed that local newspaper coverage reduces online misinformation about vaccines and immigration.
- Developed novel machine learning strategy to detect misinformation at scale on Twitter.
- Locally served Qwen3 with vLLM to process 2.7 billion Twitter posts.
- Won Hoopes prize (top 70 theses at Harvard) and Allyn A. Young prize (best economics thesis).

Research Assistant, Prof. Jesse Shapiro

Mar. 2025 – Dec. 2025

- Analyzed data on the voting power and lending activity of international organizations to quantify changes to the increasingly fragile post-1945 liberal international order.
- Edited and proofed paper showing that demographic trends poorly predict election outcomes.

Research Assistant, Prof. Jim Snyder

Sep. 2024 – May 2025

- Developed OCRABLE, a lightweight optical character recognition application that accurately identifies, labels, and processes both handwritten and typeset tabular data.
- Built a Python library, API, and website for OCRABLE to support public use.

Work Experience

GENERAL MEDICINE — Cambridge, MA

Analyst

Jul. 2026 – Present

- Trained and deployed ML models to predict medical service prices and match patients to the doctors that can best deliver the appropriate care.
- Contributed to backend development of online pharmacy experience.
- Built business intelligence dashboards to monitor ASP, revenue, ad spend, and customer retention.

THE WASHINGTON POST — Washington, D.C.

Editorial Intern

Jun. 2025 – Aug. 2025

- Served as contributing member of eight-person editorial board.
- Published four bylined columns and ten unsigned editorials on issues pertaining to national economic policy, including tariffs, monetary policy, and the national debt.
- Edited op-eds from external contributors, including policy experts and government officials.
- Conducted quantitative research and produced data visualizations for articles by staff columnists.

LAWFARE @ THE BROOKINGS INSTITUTION — Washington, D.C.

Editorial Intern

May 2024 – Aug. 2024

- Wrote long-form op-ed about the national security implications of the TikTok ban.
- Published document posts explaining key breaking news in the national security arena.
- Drafted daily and weekly newsletters and recorded podcast introductions.

U.S. DEPARTMENT OF TREASURY — Washington, D.C.

Strategic Planning & Protocol Intern

May 2023 – Aug. 2023

- Staffed and briefed Secretary Yellen's meetings with government officials and CEOs.
- Planned and advanced in-town events with principal, senior staff, press, and U.S. Secret Service.
- Managed Secretary Yellen's daily schedule.

THE HARVARD CRIMSON — Cambridge, MA

Columns Editor & Op-ed Writer

May 2023 – Dec. 2024

- Conducted a comprehensive sentiment analysis of over 60,000 college newspaper opinion articles to measure progressive shifts in student views since 2000. (Quoted in The New York Times.)
- Used patent data to quantify the effects of Trump's funding cuts to university research.
- Edited three student columns and one faculty column per week.
